### To Whom It May Concern:

It is certainly my pleasure to highly recommend **NOVO EDUCATION CONSULTING LTD** as a professional and innovative educational agency in the School Sector.

In the time that I have worked alongside this company, I have found the following:

- Highly professional in their work ethos
- Expedient with paperwork – documentation; translation service, etc
- Reliable, resourceful, dependable and knowledgeable about the School Sector and Code
- Prefer a 100% team approach (school/agent/student) for resolving issues
- Long-term students are their target market
- On-shore support is impeccable – notably their tutorial package for students
- Off-shore liaison with and introduction to their native-speaking markets
- Agency DOES connect with natural parents regularly
- High quality ‘academic focussed’ students have been introduced to our College

We are obviously very satisfied with the services of **NOVO EDUCATION CONSULTING LTD** in the field of recruiting, supporting and retaining students at our College.

Should you require further information, please do not hesitate to contact me.

Yours faithfully
